THANK YOU for your interest in New Vista's Destination Discovery program, Southern Nevada's premiere recreational and group respite program!

At the core of all New Vista's programs is the belief that people of all abilities are of equal worth, deserving of dignity and respect! Participation in Destination Discovery activities is an invaluable opportunity for greater inclusion and camaraderie, in a supportive and safe environment.

With the expert guidance and assistance of our trained staff, special care is taken in the planning of each journey. This includes providing healthier meal options for our adventurers, which means fast-food establishments are not part of the Destination Discovery experience. Destination Discovery groups maintain a 5 to 1 ratio of participants to staff, ensuring that each adventurer receives attention and support throughout the journey!

In addition to providing an important, quality respite support tool for families and caregivers, all Destination Discovery events promote educational opportunities for participants to foster self-confidence, learn relationship building techniques, and social skills, in a fun environment with peers.

The FUN is in the discovery!

GRACIAS por su interés en el programa Destination Discovery de New Vista, el principal programa de relevo recreativo y grupal del sur de Nevada!

¡El núcleo de todos los programas de New Vista es la creencia de que las personas de todas las habilidades tienen el mismo valor, merecen dignidad y respeto! La participación en las actividades de Destination Discovery es una oportunidad invaluable para una mayor inclusión y camaradería, en un entorno seguro y de apoyo.

Con la orientación experta y la asistencia de nuestro personal capacitado, se toma especial cuidado en la planificación de cada viaje. Esto incluye proporcionar opciones de comidas más saludables para nuestros aventureros, lo que significa que los establecimientos de comida rápida no son parte de la experiencia Destination Discovery. ¡Los grupos Destination Discovery mantienen una proporción de 5 a 1 de participantes por personal, asegurando que cada aventurero reciba atención y apoyo durante todo el viaje!

Además de proporcionar una herramienta de apoyo de relevo importante y de calidad para familias y cuidadores, todos los eventos de Destination Discovery promueven oportunidades educativas para que los participantes fomenten la confianza en sí mismos, aprendan técnicas de construcción de relaciones y habilidades sociales, en un ambiente divertido con sus compañeros.

¡La DIVERSIÓN está en el descubrimiento!
