About New Vista:

New Vista was founded in 1986 by parents of intellectually disabled Individuals who were concerned what would happen to their loved ones when they were gone or could not care for them. Out of this need the first program "New Vista Ranch" was created. In 1987, the Gilcrease Brothers donated 15 acres of land to the charity which gave New Vista the platform to build the first 4 homes. Today, New Vista has over 18 homes and growing in the Las Vegas area. Additionally, New Vista supports Individuals with intellectual challenges still living at home with their families by providing in-home skilled team members that assists with their loved ones needs.

New Vista's three core programs include supported living arrangements, in-home supports and group respite. Employees of New Vista support Individuals 16 to 18 hours a day through our housing and life-skills training programs. Work assignments/job locations are subject to change; due to the greater needs of the organization. New Vista's services are at the highest level of wrap-around supports and address each Individual's needs on a personalized, one-to-one basis.
